

1935 BROADWAY LIMITED

The *Broadway Limited* was the Pennsylvania Railroad's premier train between New York (or Washington, D.C.) and Chicago. By 1935 the *Broadway* had a well-deserved reputation for its style as well as for its speed. The name referred not to Broadway in Manhattan, but rather to the "broad way" of the Pennsylvania Railroad's four-track right of way along a large portion of the route. The Coach Yard will offer the 8-car heavyweight 1935 *Broadway Limited* in HO scale FACTORY pro-finished: lettered and painted with interiors as per prototype, as well as 17 additional cars. All cars are available separately, see our web site for details. See your friendly Coach Yard dealer and make your reservations now!
