

CB&Q ANNIVERSARY TRAINS

In 1930 the Burlington Route celebrated its 80th anniversary. To commemorate the event, the road re-equipped three of its crack limiteds. For the overnight run from Chicago to Omaha and Lincoln, Nebraska, a new train, the *Ak-Sar-Ben*, was instituted. On the Denver line, via Omaha and Lincoln, the road refurbished its *Colorado-Chicago Limited* and renamed it the *Aristocrat*. The new *Blackhawk* received brand-new equipment for the Twin Cities overnight service. These three heavyweight flyers represented an investment of \$3 million and more than a year's labor on the part of the master craftsmen at Pullman. The Coach Yard will offer train sets for the *Aristocrat*, new *Blackhawk* and *Ak-Sar-Ben*, along with a number of individual cars, FACTORY pro-finished: lettered and painted per prototype in HO scale. See your dealer and make your reservations now!
