

1939 SANTA FE VALLEY FLYER

Santa Fe's colorful *Valley Flyer* operated in conjunction with the Golden Gate International Exposition on Treasure Island, between Oakland and Bakersfield during the 1939 and 1940 Exposition season. When not needed in the Valley, it was used on the Surf Line between Los Angeles and San Diego. The Coach Yard will offer a six car heavyweight *Valley Flyer* featuring streamlined Pacific locomotive 1369. The *Valley Flyer* will be FACTORY pro-finished by The Coach Yard: lettered and painted with interiors as per prototype. A second streamlined Pacific, No. 1376, will be offered as well.
