

NORFOLK SOUTHERN BUSINESS CARS

Passenger cars in official railroad service has been seen a valuable sales and inspection tools. Wick Moorman, Norfolk

Southern's former CEO made use of the business car fleet implementing Blue Ribbon Specials that invited employees to ride the train. Since his time, the fleet, comprised of number of cars with complex histories, has largely remained intact. The Coach Yard is offering an assortment these cars fully decorated, with interiors and lighting where appropriate, FACTORY-pro-finished: lettered painted as per prototype in HO scale. See your favorite dealer or store and make your reservations now.
